

FYLGRADE armchair

Design: CTRLZAK
Production: JCP Universe, 2016

*"Magic is real here
Sooner or later you see
What's on the inside"*

Haiku by Alistair Gentry

An armchair that hides the secret of a mysterious identity. *Fylgrade's* concealed soul emerges from the cuts in the leather upholstery that uncover the fine fabrics from the archive of Luigi Bevilacqua. A meaningful object that challenges the observer to search for an alternative reality, expressed in the fine manufacturing technique that makes this armchair unique.

Materials: armchair with structure in multilayered wood and high-density polyurethane foam at different densities. Upholstery in aniline leather with crafted tears. Inner upholstery of teared parts with selected historical fabric from the archive of Luigi Bevilacqua and Rubelli.

Dimensions (W x D x H): 118cm x 90cm x 90cm
