

## ANTIVOL side table

Design: CTRLZAK  
Production: JCP Universe, 2017

*"The floating islands  
Of Arrakoth are home to  
Many mutant forms"*

Haiku by Alistair Gentry

Nature in its primordial form. *Antivol* presents a fragment of lava stone from Sicily, cut in half and supported by an essential metal frame. Pure and primitive matter becoming functional, for a side table that is always unique.

Materials: side table with brass structure in black chrome or matt gold finishing. Top with water jet cut natural Lava stone.

*\*Being elements selected from natural environment, dimensions and weight could be different on each piece.*

Dimensions (W x D x H):  
Small: 40cm x 40cm x 45cm  
Large: 40cm x 40cm x 65cm
